(b) *Content of filing.* Applications shall list each proposed bonus or increase in compensation, and for the latter shall identify compensation for each of the twelve calendar months preceding the calendar month in which the institution became undercapitalized. Applications also shall state the date the institution's capital restoration plan was accepted by the FDIC, and describe any progress made in implementing the plan.

§ 303.206 Application for payment of principal or interest on subordinated debt.

(a) *Scope.* Any critically undercapitalized insured depository institution shall submit an application to pay principal or interest on subordinated debt.

(b) *Content of filing.* Applications shall describe the proposed payment and provide an explanation of action taken under section 38(h)(3)(A)(ii) of the FDI Act (action other than receivership or conservatorship). The application also shall explain how such payments would further the purposes of section 38 of the FDI Act (12 U.S.C. 1831o). Existing approvals pursuant to requests filed under section 18(i)(1) of the FDI Act (12 U.S.C. 1828(i)(1)) (capital stock reductions or retirements) shall not be deemed to be the permission needed pursuant to section 38.

(1) Enter into any material transaction other than in the usual course of business including any action with respect to which the institution is required to provide notice to the appropriate federal banking agency. Materiality will be determined on a case-by-case basis;

(2) Extend credit for any highly leveraged transaction (as defined in part 325 of this chapter);

(3) Amend the institution's charter or bylaws, except to the extent necessary to carry out any other requirement of any law, regulation, or order;

(4) Make any material change in accounting methods;

(5) Engage in any covered transaction (as defined in section 23A(b) of the Federal Reserve Act (12 U.S.C. 371c(b)));

(6) Pay excessive compensation or bonuses. Part 364 of this chapter provides guidance for determining excessive compensation; or

(7) Pay interest on new or renewed liabilities at a rate that would increase the institution's weighted average cost of funds to a level significantly exceeding the prevailing rates of interest on insured deposits in the institution's normal market area. Section 337.6 of this chapter (Brokered deposits) provides guidance for defining the relevant terms of this provision; however this provision does not supersede the general prohibitions contained in § 337.6.
